Offering Help

Making a Difference

One Ramp at a Time

Our mission, to build ramps on the homes of those in need as an active demonstration and expression of the love of Jesus.

WHO WE ARE

- An alliance of United Methodist Churches in Western Erie County
- People who are seeking to demonstrate the Love of Jesus to their neighbors in a practical way
- We are builders, business people, retirees, pastors, nurses, therapists, educators, social workers, students, teens, and adults who have a passion to help others

WHO WE SERVE

- Those with a short term or long term need for a ramp to safely enter and exit their homes
- Those who have no other funding source
- Those living in or near McKean, Edinboro, Franklin Center, Cranesville, Albion, or Springfield Township and in surrounding areas through partnerships with churches in those communities

WHAT WE PROVIDE

- Semi-permanent ramps that can be relocated if the recipient moves or no longer needs the ramp
- Materials and Labor
- Love and Support

COST

- No fees are charged to recipients
- Families are asked to evaluate for themselves their ability to contribute to the project.
