We are in need of tech servants for our Sunday morning worship services! We can use camera operators...just point and shoot...and powerpoint operators...just push the button...maybe be an online host...monitor the sound and chat...lots of opportunities...no special skills required...we can train you! We just need some more help!!! Contact Lori if you are willing to try something new....

Greeters...we are in need of greeters for our Sunday morning worship services!

It is important to greet each other and especially our visitors and guests. If you would like to be a greeter please contact Pastor Tom or the church office. We also need someone to coordinate the greeters for the church.

It's still not too late to sponsor a child for camp and not too late for camp sign ups. Thank you to all who helped with a successful spaghetti dinner last month. There will be an upcoming sub and pizza sale starting Sunday, May 28th with the orders delivered on June 10th or 11th.

Date correction....Vacation Bible School **Boomerang Express** is coming up July 9th-13th.
