New Worship Series: Fruits of the Spirit

There are rules and traditions. Some insist we follow them to the letter, while others reject them. Yet the apostle Paul tells us a better way, a Christian way to live our lives. That is by the Spirit of God. Both Jesus and Paul want us to know that this is the heart of Christian living, to live by the Spirit. What does that look like for us in our day-to-day lives? Again, Paul answers. We are to exhibit the fruit of the Spirit. If we live by the Spirit, it will show in our character, actions, and speech.

Join us for our next worship series, Fruits of the Spirit, beginning July 23. Each week, we explore one of the fruits and its role in our Christian character.

Our Hygiene Packing Party! Please join us as we pack hygiene kits to be delivered on our next field trip to the Eastbrook Mission Barn. After we are done, we will be ordering Pizza and Celebrate being the hands and feet of Christ!
